FIRE CHIEF / FIRE OFFICER OF THE YEAR POLICY

General Information – Please read carefully

INTRODUCTION

These awards acknowledge the importance of recognizing chiefs and officers of the fire service in Eastern North Carolina. This program was conceived to recognize truly outstanding fire chiefs and officers whose actions and leadership in their profession, home, community and country, serve as an example and challenge for all other chief fire executives and officers throughout the southeast.

PROGRAM

The Eastern Carolina Firefighters Association Fire Chiefs and Fire Officers of the Year Awards will be presented during the January Association Meeting. The Award recipients will be forwarded from the Eastern Region to the North Carolina Association of Fire Chiefs for the NCAFC Fire Chief of the Year Award and the NCAFC Fire Officer of the Year award presented annually during the Annual Mid-Winter Conference.

AWARD CRITERIA

Up to Four awards will be presented annually:

- 1.) Career Fire Chief
 - 2.) Combination/Volunteer Fire Chief
 - 3.) Career Fire Officer
 - 4.) Combination/Volunteer Fire Chief Officer
- A volunteer fire chief/ officer is defined as one who earns his or her principal livelihood by some means other than serving as a fire chief/ officer, even if the position carries some compensation.
 - A career fire chief/officer is defined as one who earns his or her principal livelihood as a fire chief.

- In each category, the status of the fire department as a whole – paid, volunteer or combination – is not considered.
- Individuals who are eligible for nomination and selected as Fire Chief/ Officer of the Year are limited to active fire chiefs (organization head) or Fire Officers of fire rescue agencies. Previous Fire Chief of the Year winners are not eligible for additional nomination.
- Selection criteria will emphasize leadership, innovation, professional development, integrity, service to the public and contributions to the fire service as a whole.
- All of a nominee's fire service activities and accomplishments will be considered. A nominee's command role at a major emergency incident alone, while relevant, will not be enough to place that individual into contention for the award.
