You need to read all the information below before you send in your registration!

This form can be opened with Adobe Reader and completed using your computer keyboard. The form will adjust the font size to accommodate the space available, so DO NOT use abbreviations. Use the tab key to go from one field to another. After completion, save the document on your computer and email a copy to the email address shown below. If you prefer you can print the form, complete by hand, scan and email...but it must be legible! Your name and CEO number as recognized by the North Carolina Code Officials Qualification Board are **required** for you to get CE credit. Enter all information exactly as you want it shown on your Certificate of Completion and the roster that will be submitted. **Illegible registration forms will be discarded.**

Registration begins at 8:00 AM, class begins at 8:30 AM. A picture ID is required for admission to class. Anyone arriving more than 10 minutes late will not be admitted. You must attend the ENTIRE class in order to receive a certificate of completion and have your CE hours submitted to the North Carolina Code Officials Qualification Board.

Course Description: This comprehensive seminar will highlight the responsibilities of both the AHJ and the inspector with regard to NFPA 25 inspections and will help create an avenue for enhanced communication regarding inspection reports and deficiency remediation. A hands on lab is included that utilizes the AFSA Carolinas Chapter demonstration trailer and provides the attendee an opportunity to engage different types of sprinkler systems in a working environment.

Course Fees: AFSA Carolinas Chapter is waiving fees for this workshop. This is a FREE 6 hour workshop that has been approved by the North Carolina Code Officials Qualification Board for 6 hours of CE credit in the "Fire" category. Seating is limited, and anyone that has not pre-registered runs the risk of not being seated. You must pre-register in order to receive a certificate of completion at the end of the class (other attendees will have the certificate emailed to them).

Instructors: The instructors are AFSA Carolinas Chapter members and have been approved by the North Carolina Code Officials Qualifications Board to teach this class.

Weather permitting, we will have a Side-By-Side Burn demonstration on site immediately after class.

CONFIRMATION OF SEMINAR SEATING WILL **NOT** BE SENT. If there is a problem with your seating and/or registration you will be notified, otherwise you can assume you have a seat in the class.

EMAIL your registration to: jturnage@umpiretechnologiesgroup.com and put "Wilson AHJ" in the subject line of your email.

Questions: call John (AFSA) at (919) 624-3456 or Blake Holloman (Wilson FD) at (252) 399-2880.
