# FIRST ALARM STRATEGY & TACTICS

**SATURDAY, FEBRUARY 16, 2019 • 8 AM - 5 PM**  
**DELMASTRO AUDITORIUM**

## TOPICS INCLUDE:

- Engine and ladder company decision making
- Ventilation methods, timing and considerations
- Selecting the method and location of fire attack
- Hoseline selection, tips and alternative stretches
- Selecting the appropriate search method & prioritizing the search

Instructed by  
**NICK  
MARTIN**

Nick Martin is presently a Battalion Chief with the City of Salisbury Fire Department in North Carolina. Previously he served as the Chief of Training for the City of Columbia, South Carolina and as a Lieutenant with the District of Columbia Fire Department. Since then Chief Martin has had the privilege to be surrounded by great, motivated firefighters who have taught him everything he knows.
